

O Praise the Lord God Has a Plan
(Hymns, #1231, Verses 1,3)

1. O praise the Lord, God has made a plan-
That's why He formed man;
To exercise authority,
Subdue the earth entirely.

O what a joy to be in His recovery,
O praise God He made me a V.I.P.

2. O hallelujah, I'm a man, The center if God's
plan.

I'm God's own image made to be,
Expressing authority.
It's great to be a man,
O praise God, I'm a man,
O hallelujah, I am a man!
