

I Am a Special Kid  
(Tape from Church in L.A., #26)

1. I am a special kid, I know;  
God chose me to be here quite long ago--  
Long before there was land or sea,  
God picked me for His recovery.

2. I'm not like other kids, you see;  
Because I'm in the Lord's Recovery.  
Though I don't know much, that's O.K.;  
I'm in God's Recovery today.

3. I'm right in middle of God's plan,  
To put all that God is into a man,  
And incredible as it may be,  
God's plan always included me.

4. I'm glad I'm in God's Recovery;  
It's a very special thing for me  
To spend all of my life, all my days,  
Where God is having His own way.
