

What Is Sharing All About?
(Tune: What Is Living All About?)

What is sharing all about?
Share with someone,
You'll find out,
Sharing makes you feel so fine,
Share with others all the time,
Sharing is the thing to do,
Sharing makes you happy too.
Share with someone everyday,
Share at home, at work or play,
Share with others in your school,
Share your Lord and they'll be full!
Hallelujah!
