

God is Always Near Me

(Action, Vol.5, #3)

1. God is always near me, hearing what I say,
Knowing all my thoughts and deeds,
all my work and play.
2. God is always near me, in the darkest night,
He can see me just as well as by morning light.
3. God is always near me, tho so young and small,
Not a look or word or thought but God knows it all.
